What's Happening at Caldwell Preschool?

1. Children's Chapel

The children attend Chapel each week. The fifteen-minute service is led by the preschool teachers and includes songs, stories and prayers. This nondenominational service is age-appropriate and a wonderful opportunity for our children to come together as one group.

2. On-Campus Field Trips

Special people in and around Greensboro come to us: storytellers, firefighters, Greensboro Ballet dancers, doctors, dentists, etc.

3. Our **Tiny Tots** begin their preschool experience learning to share, developing their verbal skills, painting, playing and learning in a fun and age-appropriate classroom.

4. Our **Two-Year-Old Classes** explore the world around them through poetry, literature, music, art, drama and dance. Their enriched environment gives them the opportunity to continue developing their social and verbal skills as they learn colors, nursery rhymes and manners.

5. Our **Three-Year-Old Classes** continue learning in a child-centered environment. Developmentally appropriate readiness skills are incorporated in the children's play. The children begin working together to develop emerging reading, writing and math skills. They enjoy days filled with fantasy, friends and fun.

6. Our **Pre-Kindergarten** helps prepare the children for kindergarten and the wonderful world around them. The children will continue working on reading, writing and math skills. Their days will be filled with art, music, literature, dance, drama and outdoor play.

7. **Transitional Kindergarten** is for children who are taking an extra year before they enter kindergarten. The children participate in reading activities, math skills, art, music, Spanish, Hand Writing without Tears, as well as dress-up, free play and outdoor fun.

Caldwell Preschool

Caldwell Preschool serves the entire community, preparing young children for further schooling at Caldwell Academy and other strong educational institutions. We believe preschool should be an extension of the home environment where children can learn new skills, interact with their peers and are provided hands-on learning opportunities through developmentally appropriate experiences.

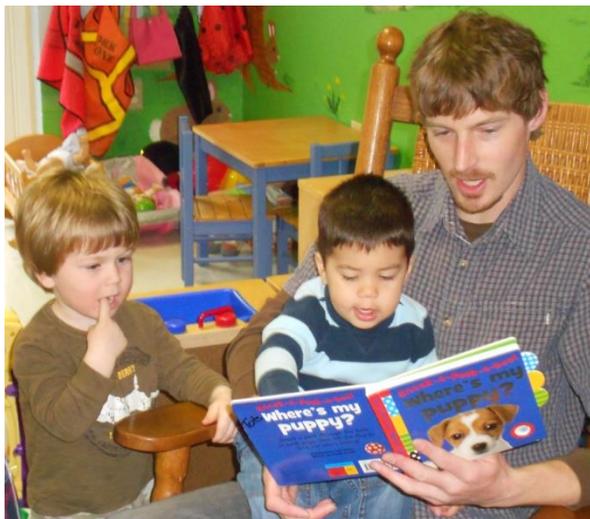

What Makes Our Preschool Special?

During our regular school day from 9 a.m. to 1 p.m., we use the *Macmillan*: Early Skills Program, Early Science and Seasonal Activities Packs, and Handwriting Without Tears. The children also enjoy participating in Book Buddies, Thanksgiving, Christmas, and Graduation programs along with an ABC Parade.

Involved Families

Our parents have opportunities to support our preschool by serving on the Parent Volunteer Association, organizing book fairs, hosting welcome coffees, volunteering as room parents and arranging social events.

Extended Day Programs

Caldwell Preschool operates under North Carolina Child Development Notice of Compliance, which allows us to operate more than the traditional four hours. This gives us the unique opportunity to offer additional enrichment programs for your child and extra flexibility for you.
